

Dear Parents/Carers,

What a year we have had, it has been so eventful. They were some tough and confusing times which were balanced out with so many rewarding and happy times.

The biggest thing is we made it when so many preschools/nurseries that did not. We survived, this would have not been possible without you and your continuous support and understanding. Also, without the true dedication from all the staff, (including the ones supposed to be on maternity leave)

Over the year we have covered lots of different topics, welcomed new children and now the sad part saying goodbye to the children who are leaving. We have had fun cooking pizzas, making perfume in the garden. Having snowball fights and keeping cool in the sun.

We enjoyed making the easter egg deliveries and adapting the Christmas nativity performance from a live production to a video, which we have done again for this term. We hope you all enjoyed the summer compilation.

With the changes to how our training was offered we have become masters in Zoom/Teams and between the team we have covered over 75 additional training lesson covering management updates, ASD speech and SEND.

Thank you to the school leavers parents for your heart-warming testimonies.

We wish you a happy and safe summer and look forward to reading your summer diaries.

Gaynor, Kelly, Vidya, Megan, Becca, Debbie, Julia

- Preschool news updates

COVID – 19 Important

We will update our covid policy nearer the time we return in September as we expect changes to announced over the next month.

Look out for any updates on Family.

Infection's, sickness & diarrhoea

If your child has been prescribed antibiotics, we ask parents to keep them at home for 24 hours before returning to the setting. After diarrhoea or sickness, we ask parents keep children home for 48 hours following the last episode.

Wedding bells

We send congratulations to Megan who will be finally celebrating her marriage to Gaynor's son.

No bottles or flask needed.

(Unless they stay for lunch)

Your child has access to milk and water throughout the day.
